4.30pm 5.15pm 6pm 6.45pm

The small print! (Please read!)

1. **Sail With Santa** is a 35 minute round trip on board the Community Spirit 2 canal boat with songs, stories and presents with Santa! Each ticket includes light refreshments for all children and grown-ups. In the event of ice on the canals, the experience will still go ahead with the boat remaining moored at Portland Basin Museum. The Community Spirit 2 is moored behind Portland Basin Museum. Trips run from and back to this mooring. The mooring can be accessed through the Museum or via the side gate on the same side as Bridge View Cafe.
2. **Twilight Tales** takes place on board the Community Spirit 2 canal boat BUT **the boat DOES NOT SAIL, and will remained moored at Portland Bain Museum throughout** due to the boat charity's insurance regulations regarding sailing after dark.
3. Spaces are limited to 10 people per trip, or 11 by prior arrangement only. Due to numbers being strictly limited by the boat's insurance, all passengers (including babes in arms) must purchase a ticket to sail. Children must be accompanied by a responsible adult.
4. Tickets are non refundable. In the unlikely event of us having to cancel due to an emergency, we will try our best to transfer you onto another trip of your choice. If no suitable alternative can be found, we will issue a full refund for the cost of the trip.
5. Events are run by 2 Boards & A Passion in association with the East Manchester Community Boat Project. Both organisations carry full insurance.
6. The Community Spirit 2 is fully accessible to wheelchairs. Please contact us if you are a wheelchair user or have any other accessibility needs that we will need to know about to ensure a smooth trip.
